

# Dyudyunov Eugene

*Date of birth:* 21.01.1993 (26 y.o.)  
*Contacts:* +38 (063) 327-76-67  
email: [evgen.dyudyunov@gmail.com](mailto:evgen.dyudyunov@gmail.com)  
telegram: <https://t.me/dyudyunove>

## Goal:

Solve complex and interesting problems, learn new skills and grow as a python programmer.

## Experience:

11.2018 - present time      Working on my own Django-based project: a web parser collecting data on upcoming educational events and uploading freshly collected info to the web app:

- [https://github.com/dyudyunov/cite\\_hub.git](https://github.com/dyudyunov/cite_hub.git)

10.2015 - present time      Pharmaceutical development engineer at a pharmaceutical plant "Chervona zirka". Regular duties:

- Developing new medications;
- Managing workflow between different departments;
- Transfer of technologies from laboratory conditions to production facilities

06.2014 - 09.2015      Pharmacist at "Gamma-55". Duties:

- Selling medicines and medical products;
- Customers' problem-solving.

Skills and qualities

- Python (+Django), HTML, CSS;
- Sociable, executive, precise;
- Learnability, teamwork skills, analytical thinking;
- Languages: Ukrainian, English (intermediate), Russian

## Education

01.09.2010 - 25.06.2016      National Pharmaceutical University, pharmacy department, Master
